

# Steel Back

## ACRYLIC CONVEX MIRROR

OUTDOOR

### CONVEX FRAME

Provides a wide angled view to see around corners and hidden areas. Helps to reduce accidents and discourages shoplifting. Recommended to be used for locations where glass mirrors might prove hazardous, as in food processing plants, hospitals, schools institutions and retail stores. Fully adjustable to almost any angle, these mirrors add further security and safety to all retail institutional and industrial applications.

### MIRROR

Made from 3mm acrylic. Recommended in locations where glass mirror may not be desired. Convex shape provides panoramic view.
